NOTES:

- All students report to 8th period. The teacher takes attendance. All students do silent sustained reading until 2:32. Then students present a pass to go to another teacher or stay with their 8th period teacher. Passes are done on a duplicate copy pass form. Students sign in and out of their 8th period class. At 3:11 students involved in organized activities such as clubs, should return. During the second half students can present another pass if they have on to see another teacher. Unless otherwise noted on the pass. Student should return to his or her 8th period class with the original pass.
- Club Days: Most clubs will meet during the club lunch. A few of the larger clubs such as Key Club will meet during the designated club periods during 8th period. See the detailed explanation at the bottom this page.
- Honor Societies: These groups decide independently what days they will meet. See the faculty sponsor for a schedule.
- Patriot Learning Community, PLC, meetings for teachers will occur during most of 8th period following Silent Sustained Reading. If teachers have a club, SOL academy or other scheduled meeting then they are to meet with the PLC team after the meeting for the remaining time. On your PLC meeting days, teachers are to escort students to the cafeteria after SSR. They are to bring a roster showing which students are present and absent and where the absent ones have gone.
- Below is a table showing which departments belong to each PLC group.

Clubs, club lunches, and 8th period

Note this may change at anytime as we tweak the club meetings.

The new club schedule:

A special lunch called "Club lunch" will happen once a month. Normally, it will be on the first red day after the first blue day that is a Monday or Tuesday of the month.

(Assuming no "snow days.") During this time, all students will be released for lunch. Students will go to either his or her club or to lunch. Students may eat anywhere in the building during this time. Students in a club should go to the club and then expect to eat starting half way through the lunch period. A bell will ring approximately half way through the lunch period. At this time students in clubs should be released for lunch if the sponsor has not done so already. If a student is involved in more than one club then he or she needs to choose one club to attend and work it out with the other clubs sponsor. A small number of clubs will not officially meet during lunch. They will meet on during a special 8th period for, "Select Clubs."

A small number of clubs will have a club day meeting during the first 8th period that falls on the first Monday or Tuesday of the month. These days are identified on the calendar

with the title, "Select Clubs." These clubs are:

1. Key (200) Tyler, Ramey, Jane MacMichael
2. Drama (50) Cunningham, Johnson
3. JCL; latin (40) Clay
4. African-American (20) Bryant
