

**Attachment #11: Academic Workshop Data**

Academic Workshop is a course taught by an intervention specialist and is available as a Tier 2 support for general education teachers. The focus is on building access skills (ex: organization) and academic skills for struggling students. Academic Workshop has been an effective way to meet the needs of identified students and the HHS has tracked student progress in Academic Workshop over the last several years. Below is information from the 2017-18 school year and historic data from the last few years.
