

Attachment #1: PLT list

This is a list of our 2018-19 PLT teams. Because Heritage is a large comprehensive high school, we cannot have a PLT for each course offered. Instead, we choose to focus on classes that we recognize as pivotal to meeting graduation requirements and competencies, serve the greatest number of students, and those that teachers identify as most essential to their content area.

Heritage High School PLTs 2018-2019**Counseling**
