

# Administrator PLC Team Norms

Team Members Will:
Be patient with each other
Bring a positive "learning" attitude to the session; Embrace the process, participate, be open to new learning
Bring possible solutions when bringing challenges
Be on time
Be "present" in the conversations and stay focused
Be prepared for the meeting
Guard the confidentiality of the information that is shared in the discussions
Treat each other with respect
Support each other
Be willing to listen and reflect on new ideas and ideas presented by others
Be sensitive to others (making sure all have a time to talk, recognize and respect the challenges others face, etc.)
