Mission

Our mission is to educate all students and develop lifelong learners by expecting excellence every day.

Vision

Daniel Boone Elementary is a school with a respectful, responsible and safe learning environment where students achieve at the highest academic levels. We will be a caring, collaborative community where the focus is on developing the whole child to be independently successful learners and where students take pride in their school.

Collective Commitments

In order to achieve the shared vision of our school, Daniel Boone Elementary staff have made the following collective commitments.

We will use common language.

We will use 4:1 positive reinforcement.

We will teach our core instructional programs with integrity

We will use strategy: I do, We do, You do.

We will collaborate using data and best practices.

We will differentiate instruction.

We will use clear and positive communication.

We will presume positive intentions of others.

Norms of Collaboration, Appreciation and Support

Be active, engaged participants

Common goals

Create a safe, supportive, and positive environment
