| Intro to Research Databases | Enrichment (Academic Based) Learn how to use the ProQuest and EBSCO databases available through the Titan Library website. Not only will you gain a skill colleges expect you to know, you will cut down on the time you spend now on research and citing sources (hint: Databases will do the citations for you! No fear of using bogus information!). I will go over how to use the tools in the databases that make them so useful: citation creators, save to Google Drive, and listening and translating tools. We have a lot of databases, and I will break down which to use first and which to use for specific types of research. | 01:04 pm Julie Boyer Library Tue November 6 2018 - 6/10 |
| Transforming Functions | Enrichment (Academic Based) Function equations are like maps. Know the parent, and then it's all a, h, k, and occasionally b! | 01:04 pm Michele Kerr 128 Tue November 6 2018 - 5/35 |
