How do you use them?

- The ELA Rubric Guides are based on the unpacked standards for Reading and Writing that are listed on the 2019-2020 report cards. These can be adjusted to meet the needs of the class, grade level, or school site.
- The Rubric levels correspond to the Report Card rubrics.
- Learning targets for each standard have been provided to show end of year mastery.
- Teachers and grade level teams can determine how they want to evaluate student proficiency for each learning target.
- A guide for suggested targets has been provided, but can be adjusted to meet the needs of the class, grade level, or school site.
