

**PURPOSE:** Ensure all Park View students learn at high levels.

### PARK VIEW PRIORITIES

- Demonstrate best practices in methods of instruction.
- Create meaningful connections for all members of the community.
- Continually improve curriculum, instruction, and programs for all learners.
- Recognize and celebrate staff and faculty who work to support our district purpose.
- Strive to be a model Professional Learning Community (PLC) District focused on learning, collaboration, and results.

- Use data and research to ensure best practices
- Recruit and retain professional and high-quality staff
- Align high quality professional development to district goals
- High expectations for all

- Maintain fiscal responsibility
- Be intentional in all financial decision-making
- Provide a safe, secure, and clean environment to learn and grow
- Ensure resource efficiency

- Innovate and consistently promote best practices in SEL curriculum
- Expand leadership & learning opportunities
- Provide intentional experiences to advance leadership skills & practices
- Promote volunteerism and citizenship

- Build and sustain relationships with all community stakeholders
- Create and maintain connections and partners throughout Morton Grove
- Ensure the community feels safe and welcome
- Proactively communicate with stakeholders
