

norms

GOODMAN ELEMENTARY TEAM

Ask Questions and Clarify

Be open to feedback and willing to give honest feedback to others

Focus on solutions and assume the best in others

Mono-cohesiveness among the team and the building

Participate in dialogue (laying everything out) and discussion (solving problems and making decisions).

NORM!

collective

COMMITMENTS

We will limit sidebar conversations.

We will keep phones and other distractions out of sight.

We will focus on what we can control and only that.

We will make sure we create and follow our agendas each week.

We will be present and involved during times of collaboration and meeting.

We will begin and end on time and members will be here and leave on time.

We will maintain a forward-thinking mindset.
