Notes

- Details on On-Track and Postsecondary Readiness calculations can be found at <https://dpi.wi.gov/accountability/resources>.
- Third Grade English Language Arts and 8th Grade Mathematics Scores are determined in the same way as the Student Achievement Priority Area. However, if there are fewer than 20 students in the most recent year, then the most recent two years of data are combined so that the cell size requirement is met.
- Student achievement is based on Wisconsin Student Assessment System (WSAS) results for full academic year (FAY) students.
- Points displayed in the tables above are weighted so that larger numbers of students and more recent years contribute more to the score for the Priority Area.
