

Ringgold Primary School

Unit SMART Goals	Grade Level: 1
Subject: Math	
Module 1, Topics A-F Goal: 80% of our students will be able to solve addition problems within 10 (including word problems) with a score of 80% or above as measured by a teacher created common formative assessment on October 6, 2021. The other 20% of our students will demonstrate understanding of the addition process with support (use of manipulatives, one on one instruction, etc.)	
Results: TBA (to be analyzed) on Oct 7, 2021 95% of our students demonstrated mastery solving addition problems within 10.	
Next Steps: The students that did not show mastery will participate in Tier 2 re-engagement 2 times a week for 30 minutes. Mrs. Parvin will teach the tier 2 group for this learning target. (Asa, Addie, Kimmie, Jax, Thomas, PJ, Theo)	
Final Results: All students were able to demonstrate proficiency on the CFA. The learning target will be revisited frequently this school year to reinforce mastery.
