

Collaborative Planning Agenda

January 13, 2021

Opening - (10 minutes)

- Professional Development - [Instructional Agility](#)

Core Work - (40 minutes)

The 4 Questions

- 1. What do we expect our students to learn?
 - Break down Essential Standards, Identify Learning Targets (What does Proficiency Look Like), Unit Planning, and CFA Development
- 2. How will we know they are learning?
 - Look at CFA Data, Share Teaching Strategies, Group Students based on CFA Results for Re-engagement
- 3. How will we respond when they don't learn?
 - Plan for Tier 2 Re-engagement for all Essential Standards & Learning Targets
- 4. How will we respond if they already know it?
 - Plan Extension Activities for students that have mastered the Essential Standards/Learning Targets

Closing - (10 minutes)

- Strategy Share - [My Favorite Mistake](#)
