

Ringgold Primary School

Unit SMART Goals	Grade Level: 2
Subject: Math	
Module 2 - Goal: 90% of our students will be able to measure accurately to the nearest centimeter as measured by the teacher created CFA with a score of 80% or higher. The remaining 10% will be able to master 9 out of 13 of the measurements. (MD1/MD2)	
Results: TBA (to be analyzed) on October 7, 2021	
Next Steps: This standard needs continued instruction in order for a large number (45%) of students to get the support needed to meet the standard. This standard will continue to be reviewed and progress monitored in small groups during Math WIN time by the general education teacher and the EIP teachers.	
Final Results: 45% of students need continued tier 2 support with this standard, 33% of students are meeting the standard, and 22% are ready for extension.	

Grade:2

Subject Area: Math Module 2

Name of Assessment: Module 2- Measuring to Nearest Centimeter

*** Most students struggled with the comparison questions. The subtraction with higher numbers was difficult for some.

* 3 students have modified tests due to IEP in Hackett's room, one student not accounted for due to being quarantined **
