

Student data End of Semester Test

Name _____ Score 79

Date _____

Numbers missed: 1, 6, 8, 12, 24

Color:
how many missed

Careless
(Silly Mistake)
RED
3

Computation
(+ - x ÷)
ORANGE
0

Content (Didn't Understand)
YELLOW
2

Supporting			
4.3F reasonable sum of fractions	2		
4.2D rounding whole numbers	6		
4.4D multiplication	12	13	
4.2A Batman & Robin (interpret place value as 10x or 1/10)	14		
4.4G estimate solutions	11	22	
4.3B decompose fractions	23		
4.2C compare, order whole numbers	24		
4.4F long division	19		

Readiness						
4.4H solve multiplication and division	1	3	5	7	8	9
4.4A solve add and subtract whole numbers	4				4.3D compare fractions	20 21
4.5A represent multi-step problems, all four operations	10	16	17		4.2B place value	15
4.3E add and subtract fractions	18					

Goals: I can improve on...

Interpreting the remainder in division problems.

Action: The steps I will take to improve/reach my goal are...

- look at remainder
- Don't rush
