

Professional Learning Communities

School Norms

1. We will come to all PLC meetings and accountability days with data and materials ready to use.
2. We will answer the four critical questions at our collaborative team meetings.
3. We make decisions by consensus.
4. We use data rather than opinion or personal experience to frame team decisions.
5. We will talk about students as if their parents are in the room.
6. We will do what is best for kids, not what is convenient for adults.

Team Norms

1. We will establish weekly focus standards) and identify Must Dos, Could Dos, extension questions
2. We as a PLC team review the problem sets and exit tickets and determine CFA question together.
3. We will segregate data based on levels on the Instructional Focus Documents.
