

SMART GOAL

S=Specific M=Measurable A=Action Steps R=Realistic and Rigorous T=Timeline

School: Kiski Area North

Team: Third Grade (Mrs. Baranowski, Mrs. Bartosiewicz, Mrs. Corcetti)

Math Goal:

Multiplication Fact Fluency

S	75% of third grade will show mastery of multiplication facts 0-10, which will help build fluency in approaching algebraic concepts.
M	Students must score a 32/40 to show proficiency. All facts up through level W on Mastering Math Facts will be assessed.
A	CC.2.2.3.A.3 - demonstrate multiplication and division fluency. Students will have daily/weekly practice through at home practice/flash cards, in class practice with flashcards, weekly timed fluency checks, progress through their own pace, IXL, tutoring, and E&I. A final, timed mixed assessment will occur to show final mastery of the facts 0-10.
R	Students can progress through multiplication facts, based on their differentiated levels/needs. 75% of our students will master these multiplication facts by our set timeline.
T	This goal will be met by March 30, 2018.
