WORKING HARD & PLAYING HARD

- **Houses:** New and kindergarten students are sorted into one of 8 houses. They will stay in their house throughout their time at WES. Each house name represents a language or a culture within our building. Our house system helps to build community across all grade levels.
- **Dispositions:** We are guided by six "disposition" words at WES. Our goal is for students to embrace these dispositions on their learning journey and throughout life: **problem solvers, perseverance, self-control, positive attitude, empathy, & integrity.**
- **PBIS:** Positive Behavioral Interventions and Supports (PBIS) is an approach to teaching and supporting positive behaviors and meeting the needs of ALL students. The school-wide approach to discipline focuses on building a safe and a positive environment in which all students can learn. Our three building-wide expectations are **be safe, be respectful, & be responsible.**
