

WJHS Response to Model PLC Growth and Achievement Data Questions

Washington Jr. High School
Bentonville, Arkansas

Data Sources

- [Office of Education Policy \(OEP\)](#) University of Arkansas- [Arkansas Schools Data](#)
- [MySchoolInfo](#) from the [Arkansas Division of Elementary and Secondary Education](#)

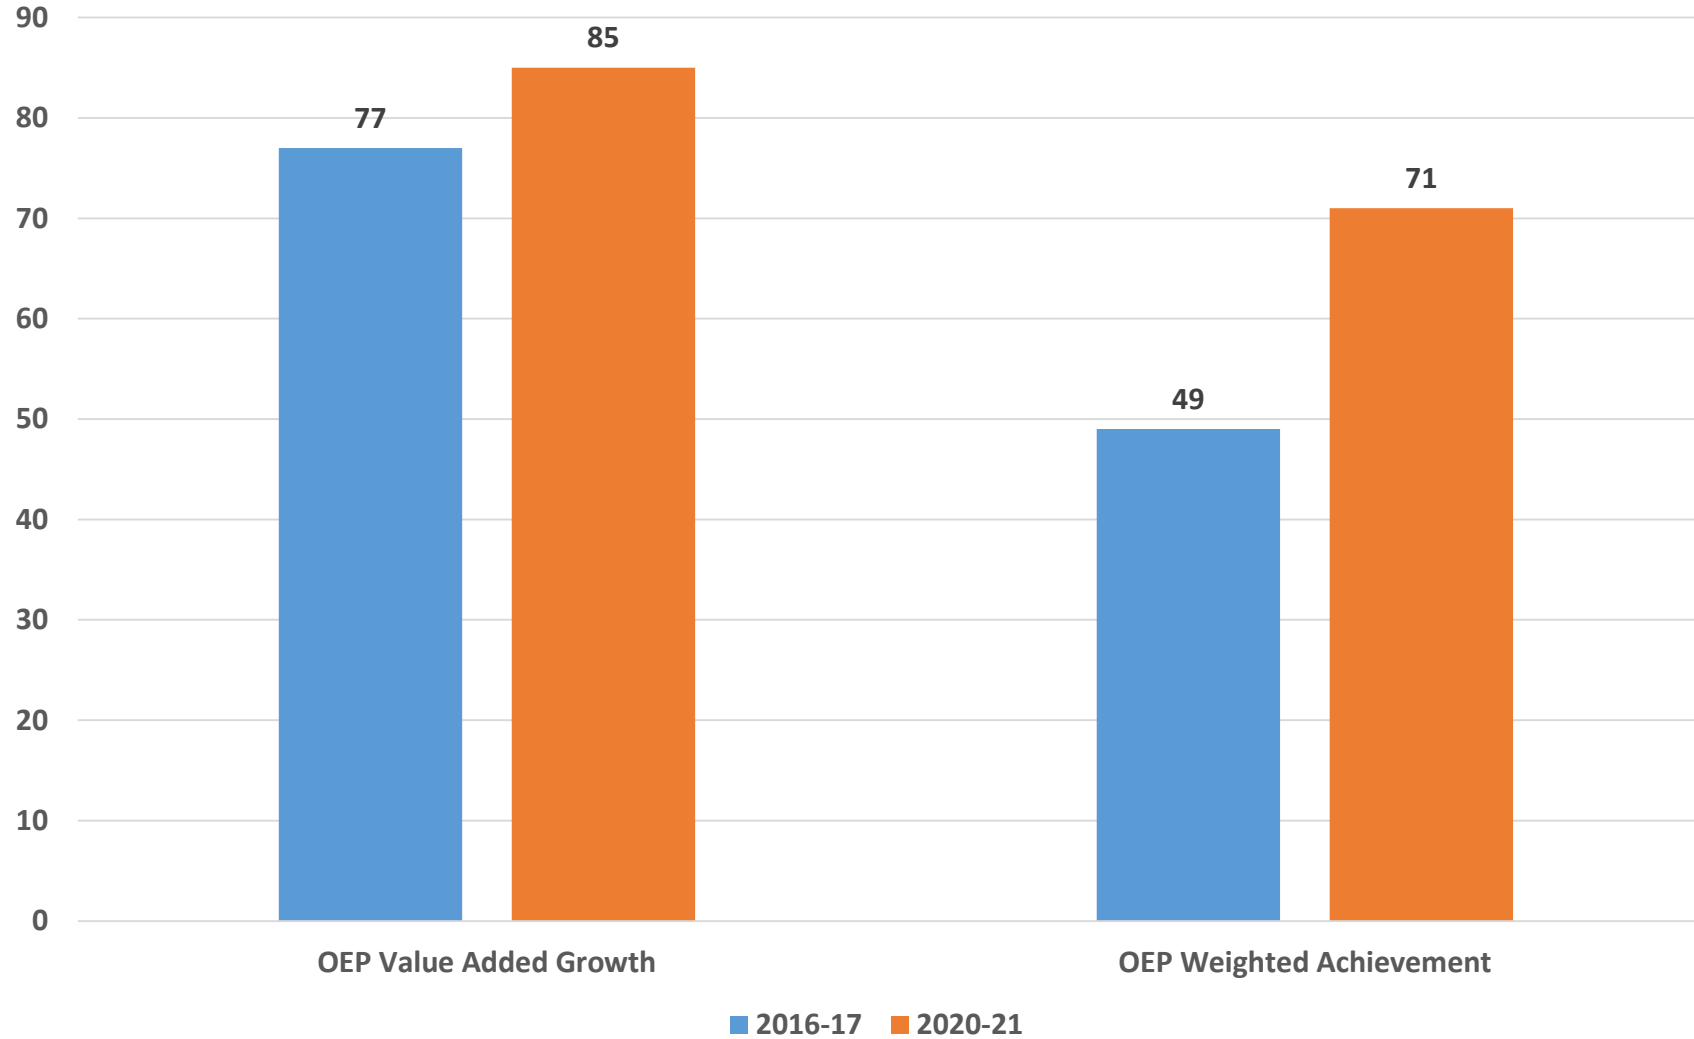

WJHS Response

- **The following information is intended to demonstrate tremendous academic growth and achievement for students of color, the economically disadvantaged, and/or those that have special needs.**

OEP Academic Growth & Achievement: Dramatic Improvement

-Although the 2021 ACT Aspire scores that we initially reported in our application demonstrated a drop in overall achievement in some areas, the [OEP](#) data reveals that our percentile ranking in both Weighted Achievement and Value Added Growth increased dramatically during our implementation of PLC practices and collaborative teams for economically disadvantaged students, students of color, and those with special needs.

WJHS OEP Data (Percentile Rank): Economically Disadvantaged

WJHS OEP Data (Percentile Rank): Hispanic

WJHS OEP Data (Percentile Rank): African-American

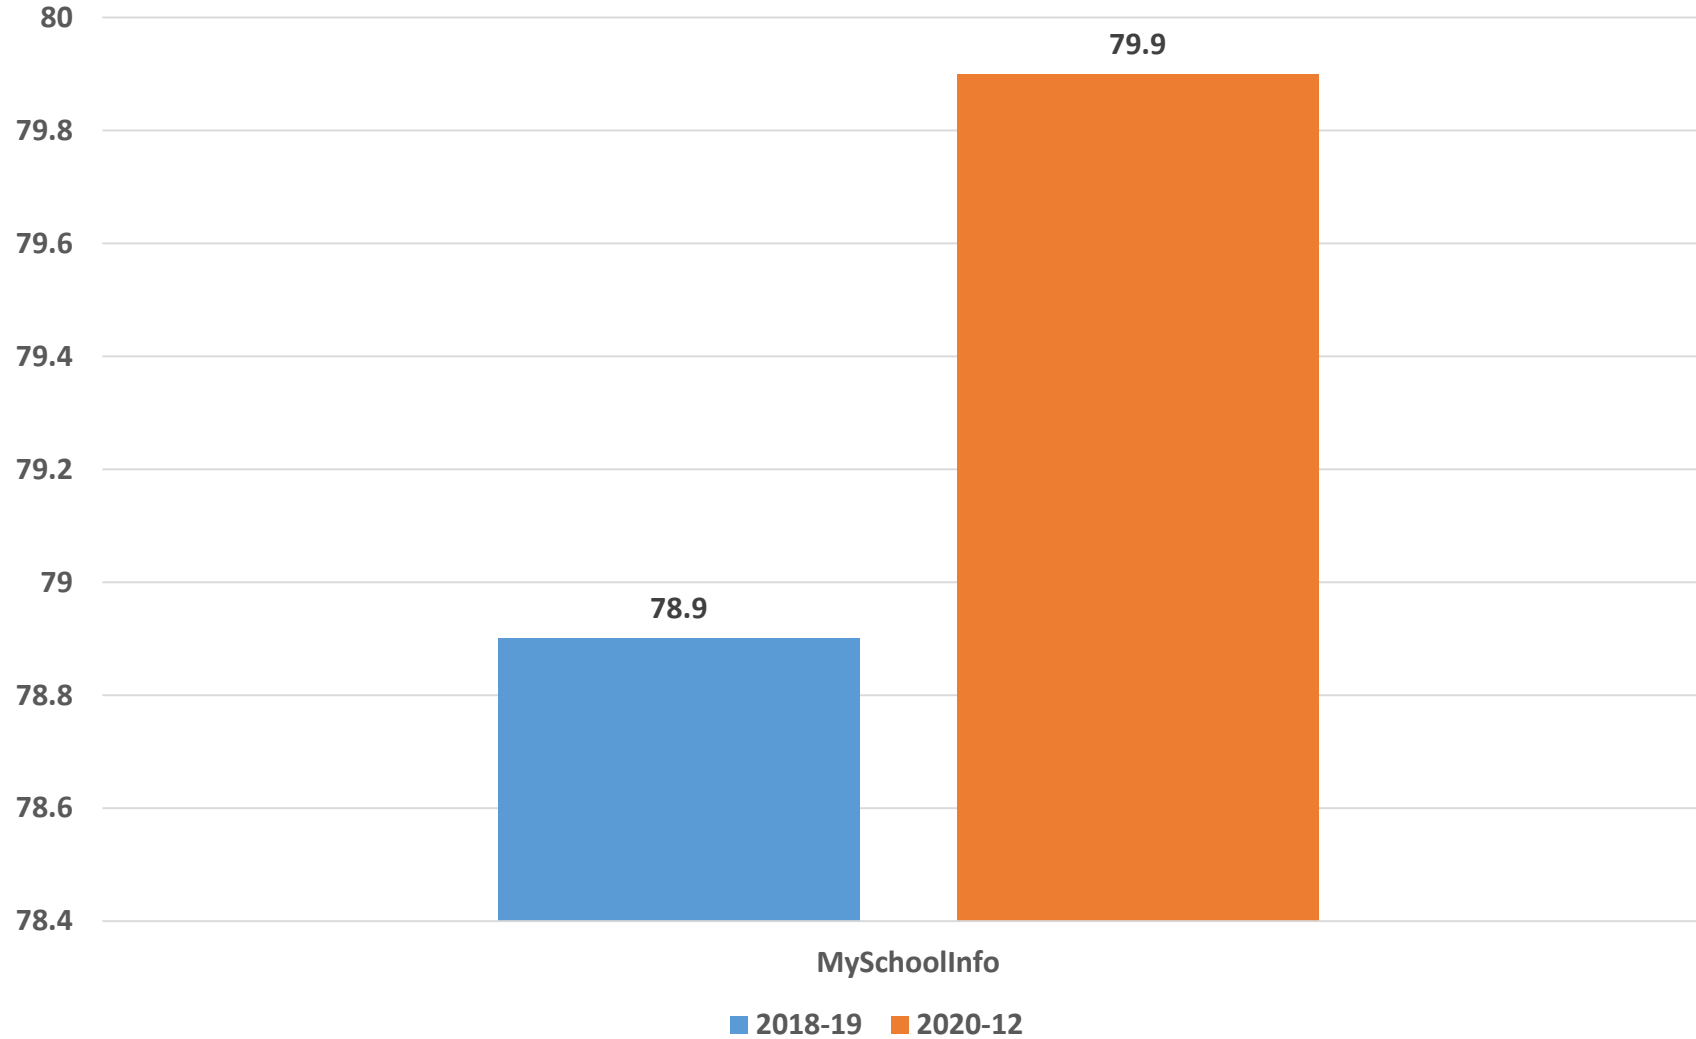

WJHS OEP Data (Percentile Rank): Special Needs

7th Grade ELA: Economically Disadvantaged

Although the 2021 ACT Aspire scores that we initially reported in our application demonstrated a drop in overall achievement in 7th Grade Math for students with special needs, our MySchoolInfo Growth rose in 7th ELA for students with special needs from 2018-19 to 2020-2021.

WJHS MySchoolInfo Data: Economically Disadvantaged 7th ELA

7th Grade Math: Special Needs

Although the 2021 ACT Aspire scores that we initially reported in our application demonstrated a drop in overall achievement in 7th Grade Math for students with special needs, our MySchoolInfo Growth rose two points in 7th Math for students with special needs from 2018-19 to 2020-2021.

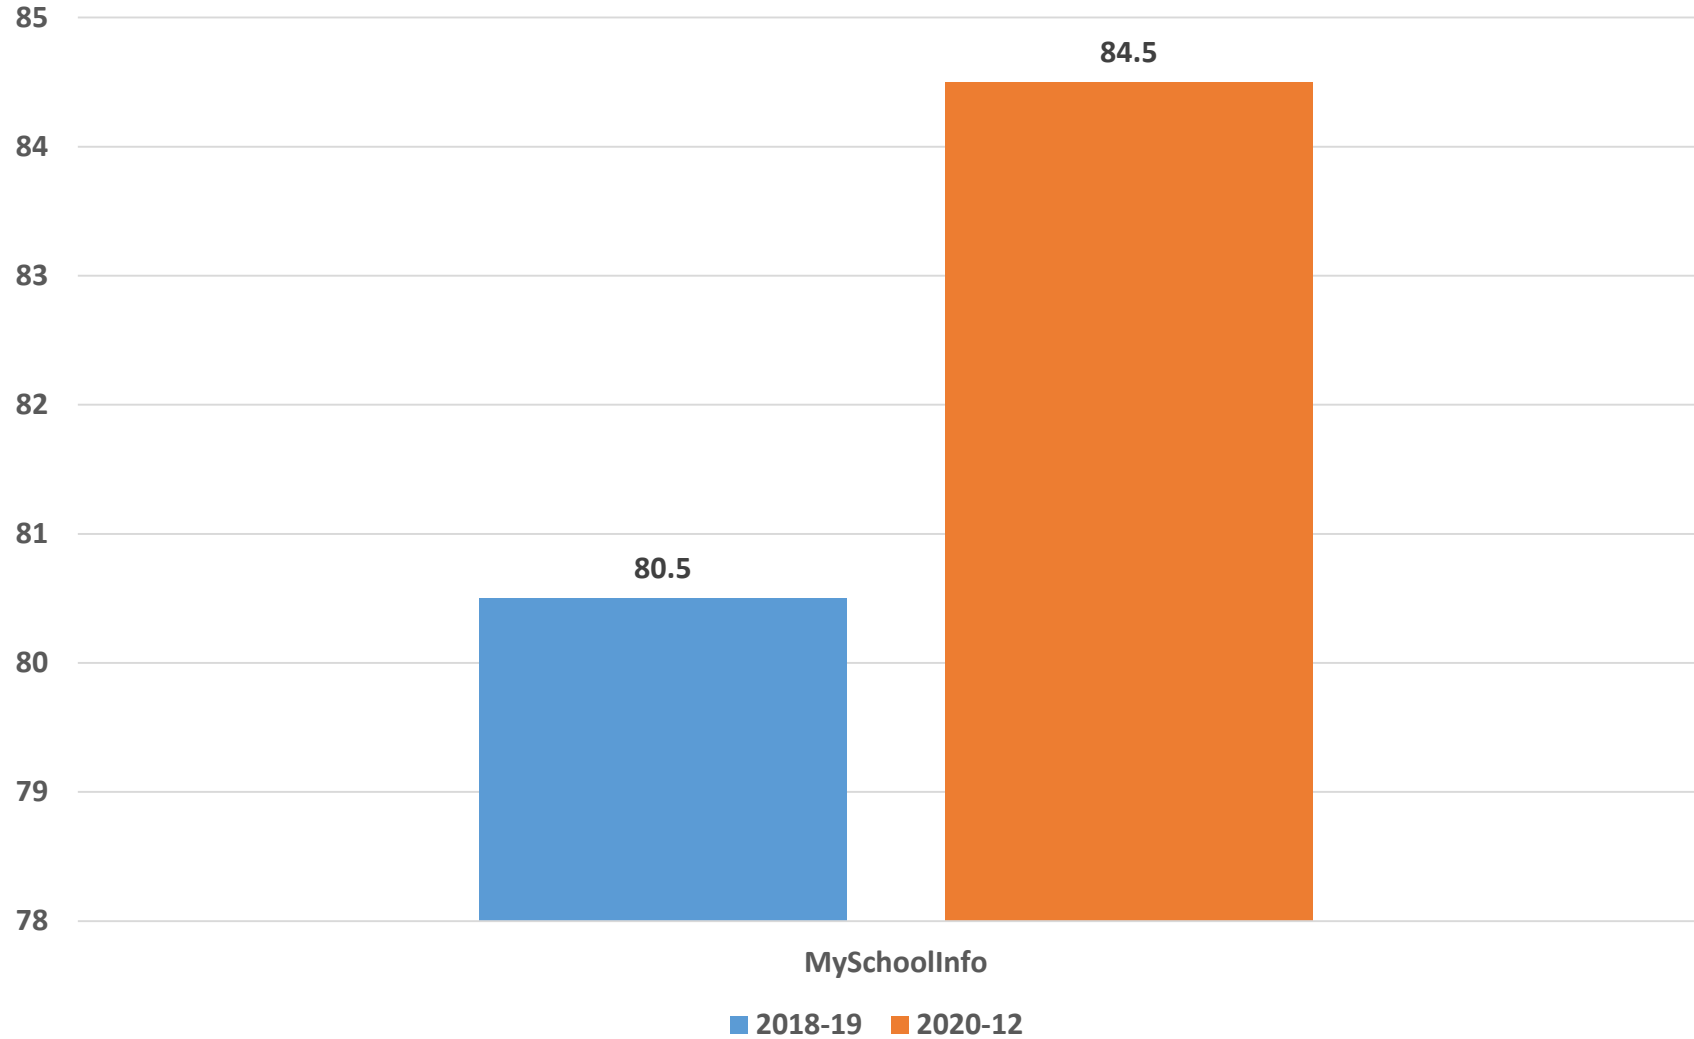

WJHS MySchoolInfo Data: Special Needs 7th Math

8th Grade Math: Special Needs

Although the 2021 ACT Aspire scores that we initially reported in our application demonstrated a drop in overall achievement for students with special needs in 8th grade Math, our MySchoolInfo growth scores improved 4% from 2018-2019 to 2020-2021.

WJHS MySchoolInfo Data: Special Needs 8th Math

8th Grade Science: Special Needs

Although the 2021 ACT Aspire scores that we initially reported in our application demonstrated a drop in overall achievement for special needs students in 8th Grade Science, our MySchoolInfo indicated a 2.7% increase for this group from 2018-19 to 2020-2021.

WJHS MySchoolInfo Data: Special Needs 8th Science

Additional Data for Growth: Students of Color

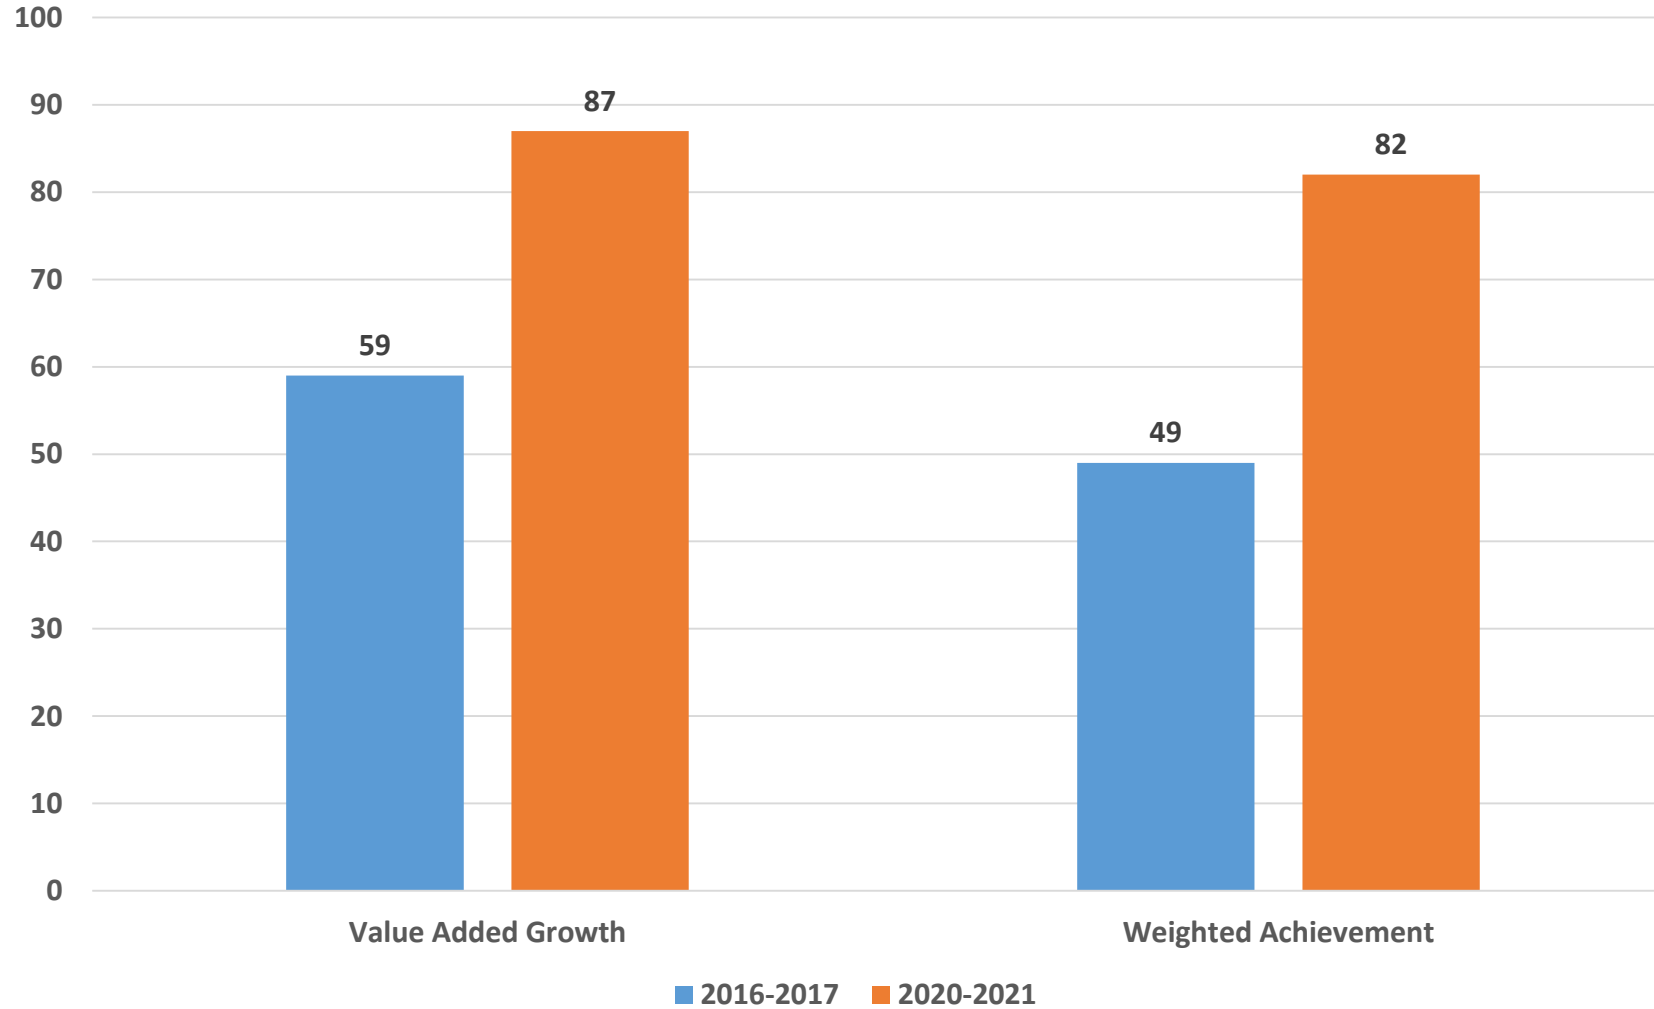

The OEP reflects the following positive impact on student achievement for students of color at WJHS from 2016-2017 to 2020-2021:

- **Value Added Growth up 28% for Hispanic students.**
- **Weighted Achievement up 33% for Hispanic students.**

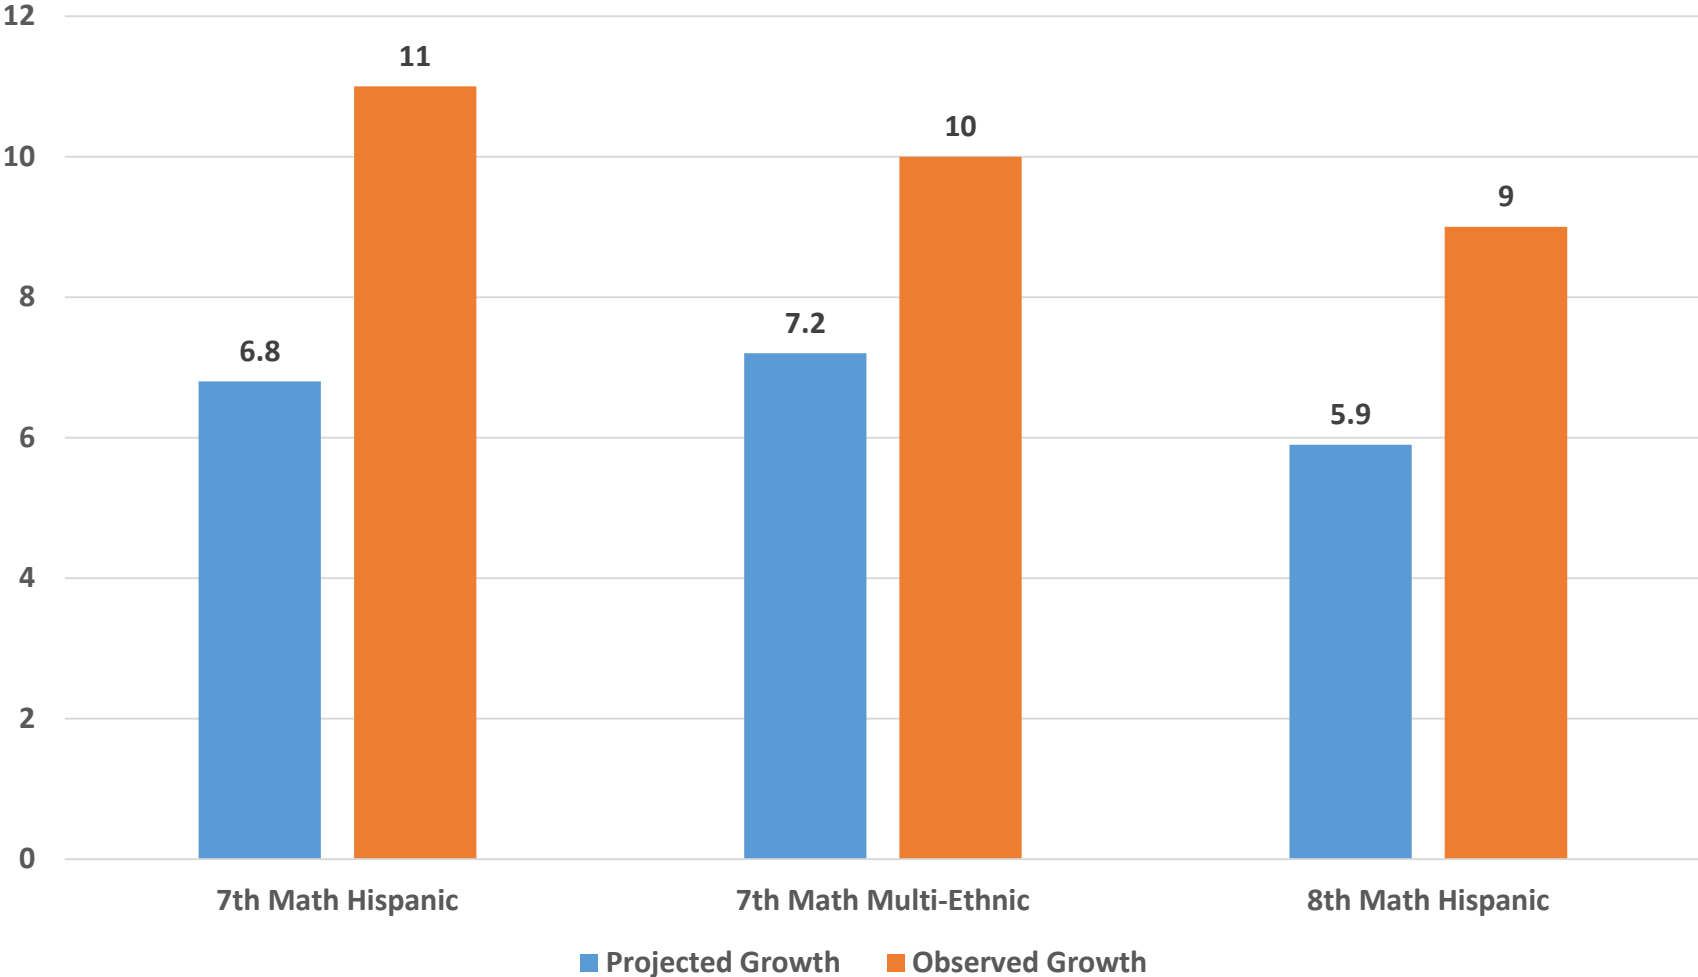

MAP Data also demonstrates that our observed growth was higher than our projected for both Hispanic and Multi-Ethnic students (2020-2021)

***Note: Breakout results for other ethnic groups aren't available because low overall numbers of students in for those demographic categories.**

OEP Growth/Achievement Data: Hispanic Students

MAP Math Data (Projected vs. Observed Growth): Students of Color

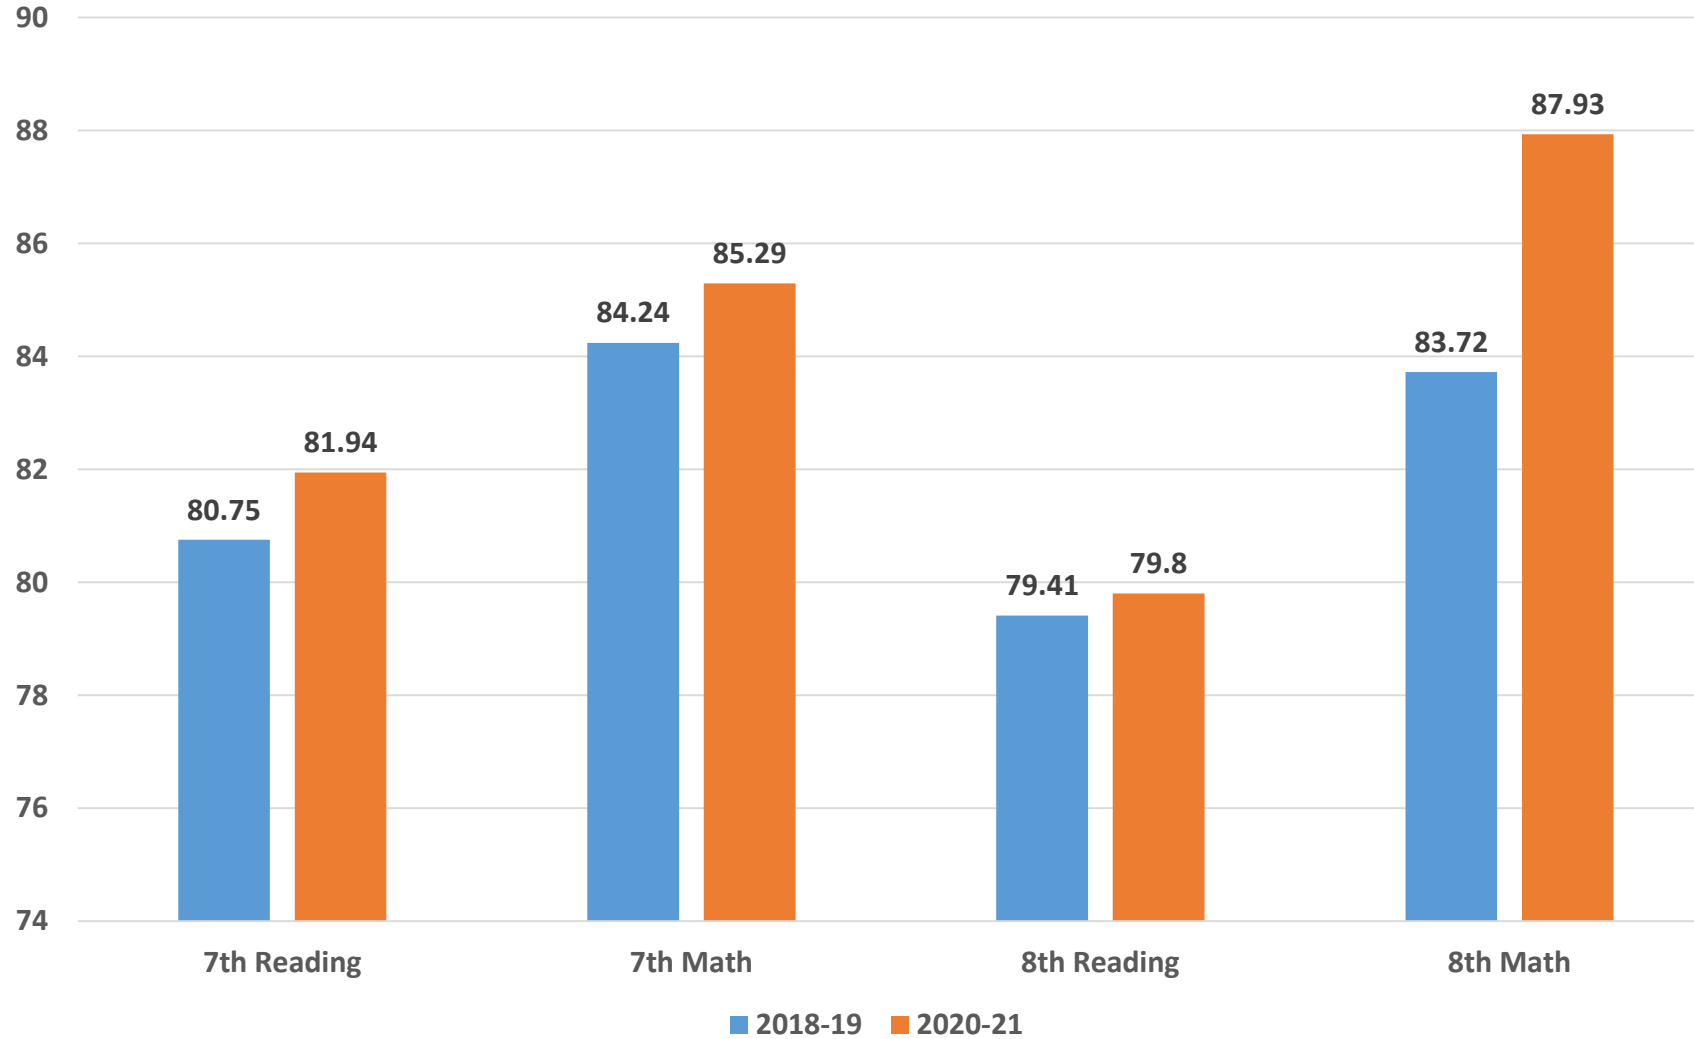

Additional Data for Growth: Students of Color

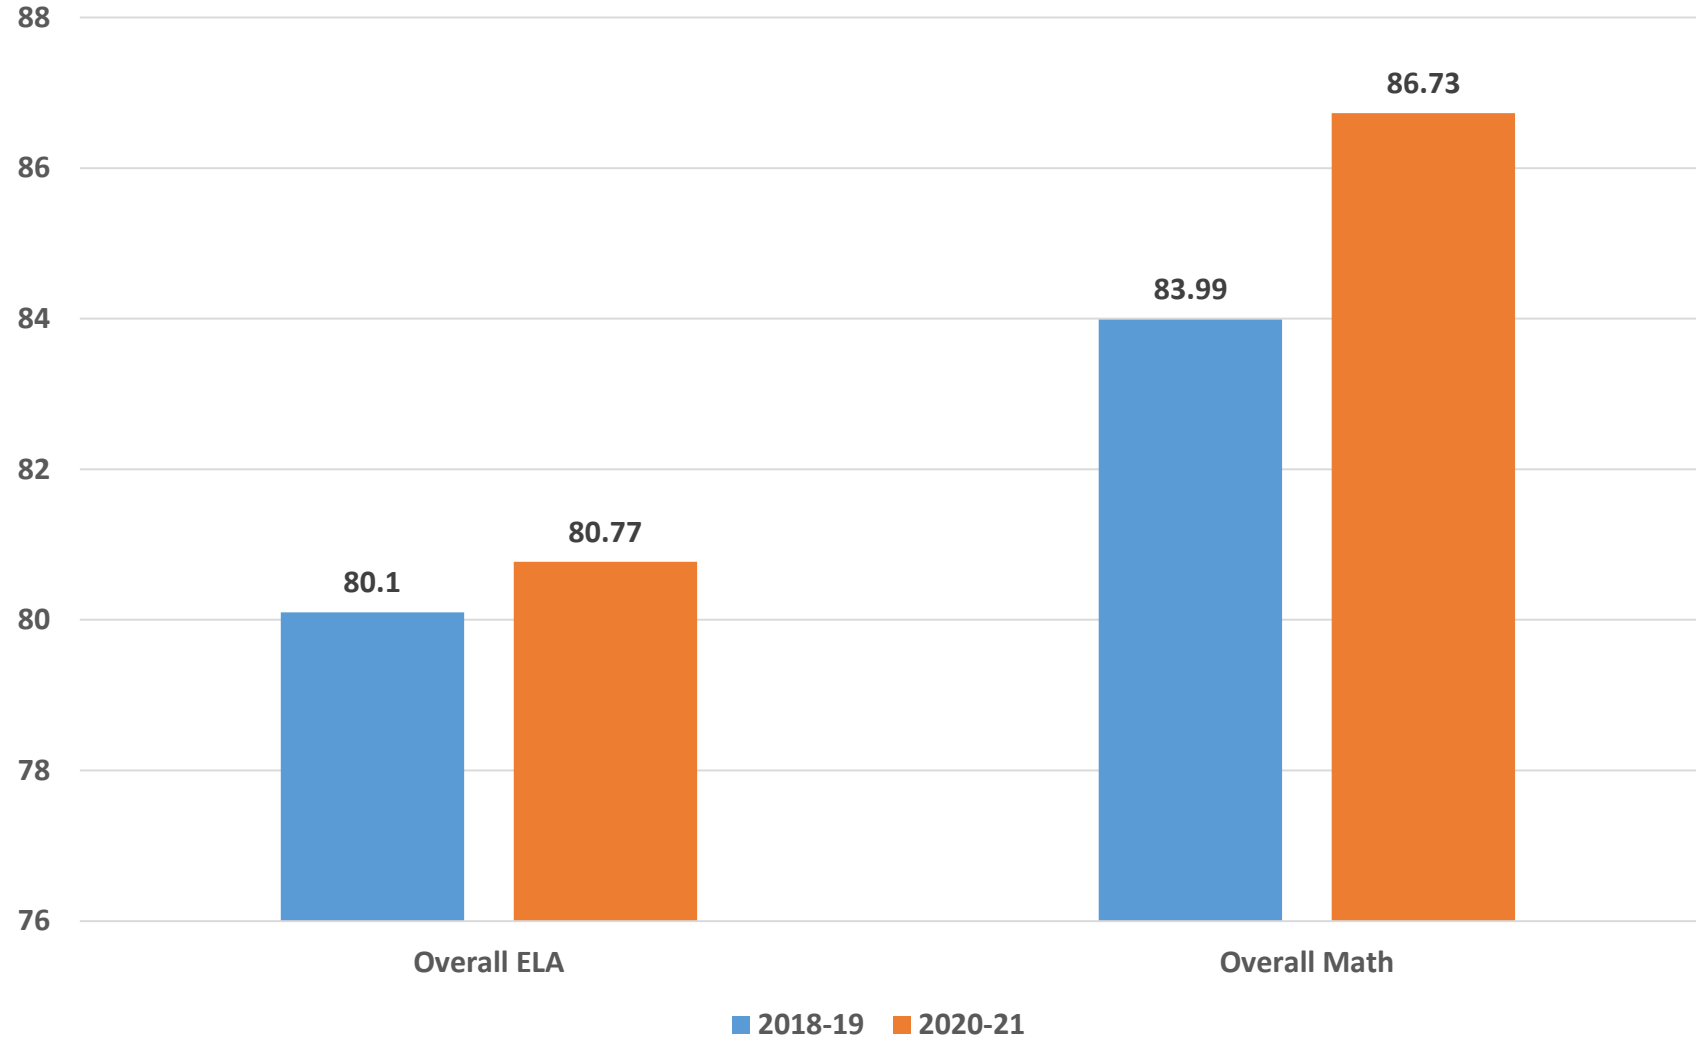

MySchoolInfo data reflects growth in 7th and 8th grade for both Reading and Math for Hispanic students from 2018-2019 to 2020-2021.

***No breakout reports available for other groups because of low total numbers of those demographic categories.**

MySchoolInfo Growth Percentile Rank for Hispanic Students

MySchoolInfo Growth Percentile Rank for Hispanic Students

Additional Data for Growth: Economically Disadvantaged

MySchoolInfo data reflects overall growth in for both ELA and Math economically disadvantaged students from 2018-2019 to 2020-2021.

MySchoolInfo Growth Percentile Rank for Economically Disadvantaged Students

MySchoolInfo Growth Score Increase

MySchoolInfo data reflects growth in ELA, Math, and Science for Hispanic, economically disadvantaged, and special needs students from 2018-2019 to 2020-2021.

Overall Reading WJHS MySchoolInfo Growth Scores 2018-19 to 2020-2021

Overall Math WJHS MySchoolInfo Growth Scores 2018-19 to 2020-2021

Overall Science WJHS MySchoolInfo Growth Scores 2018-19 to 2020-2021

Closing Data Statement

The WJHS faculty believes that our strong record of outstanding student growth and achievement would not be possible without the commitment that we have made to becoming a professional learning community.

Our collaborative teams have worked hard to ensure that every child succeeds at high levels.

When additional time and/or support is needed for remediation or enrichment, our school guarantees that it happens.

We look forward to your feedback and appreciate your time.
